

Property location checklist

How long will it take to travel to different places (work, CBD, etc) during peak hours?

Is there adequate public transport in the area? If so, what type?

Is the house conveniently located near schools, medical and emergency services?

What other facilities/infrastructure are available locally?

Does the area have a preponderance of low, medium or high-density housing?

What is the property's level of privacy?

What is the property's level of security?

What are the council's future plans for the area?

What development work is taking place in the area?

Are there any flight paths over the property?

Is the property located near busy intersections or heavy traffic roads?
